

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

For more details of the original court rolls and other documents please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original Roll.

Text in various shades of **grey** indicates text which, in the original Roll, is to a greater or lesser extent difficult to decipher.

Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations.

Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

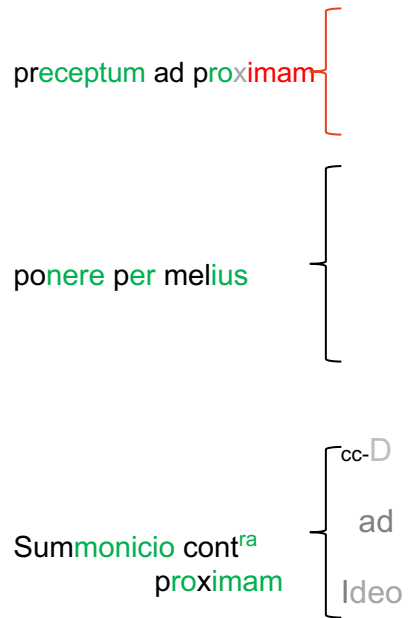

Roll B11 [This Roll was previously named Roll B13, and pre-dates the renamed Rolls B12 and B13.]

Roll B11 [previously B13] (recto) c. 1409

[This Roll is badly torn, and only a fragment on each side is decipherable. Since it mentions Adam Lucas as having very recently died, it must be earlier than June 1410, but later than December 1407.]
