

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

In this case, the document is evidence of the existence of a lost Roll, rather than a Roll itself.

For more details of the original court rolls and other documents, please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original document.

Text in various shades of **grey** indicates text which, in the original document, is to a greater or lesser extent difficult to decipher.

Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.
