

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

In this case, the document is evidence of the existence of a lost Roll, rather than a Roll itself.

For more details of the original court rolls and other documents, please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original document.

Text in various shades of **grey** indicates text which, in the original document, is to a greater or lesser extent difficult to decipher.

Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations.

Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

Roll

c. Nov 1506

N.B. This Roll is not extant. The following is from Roll F1 [previously E1] (verso), ll. 19-28, for 15 Dec 1519, which refers to a transaction of this earlier date :

Ad Istam Curiam Testatum est per Senescal^{lum} quod quemdam reddicionem sibi factum est extra Curiam per Henricum Knyghte & Thomam Knyghte de duabus acrarum terre iacentium apud le nappes quod fuit Elie Godsone & unum Campum terre vocatum frenchefelde & duas acras bosci iacentes in le napse quondam Walteri Knyghtes prout patet in Rotulis Curiae gerens datum anni xxij^{do} Henrici vij^o [i.e. 22/8/1506 – 21/8/1507] ad Opus Henrici Knyghte qui quidem Henricus presens est in Curia & petit se admitti ad predictas duas acras terre & Campum predictum & predictas duas acras bosci Cui dominus per Senescal^{lum} suum ibidem concessit ei inde seisinam habendum & tenendum predictas duas acras terre & Campum predictum & predictas duas acras bosci sibi heredibus & assignatibus [suis] ad voluntatem domini secundum Consuetudinem manerij per redditus & servicia inde debita & de Jure consueta & fecit domino fidelitatem & Sic admissus est tenens & dat domino pro fine pro tale ingressu habendo [---blank]

[After the opening 'Ad Istam Cu..', the whole of this paragraph in Roll F1 [previously E1] (verso) has evidently been erased and then over-written in black ink. Although illegible, traces of the original text may still be seen.]
