

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

For more details of the original court rolls and other documents please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original Roll.

Text in various shades of **grey** indicates text which, in the original Roll, is to a greater or lesser extent difficult to decipher.

Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations.

Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

Roll G3 [previously E6] (recto) N.B. This is not a proper Court Roll, but is more likely the copyhold title-deed of the winner of the Dove v. Dove lawsuit, i.e. John Dove III (or IV).
