

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

For more details of the original court rolls and other documents please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original Roll. Text in various shades of **grey** indicates text which, in the original Roll, is to a greater or lesser extent difficult to decipher. Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations. Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

Roll 17 [previously H4] (recto) [Thursday] 4 May 1564 N.B. This Roll, written in 'Secretary' or Cursive hand, may well have been intended as a draft for the first part of roll 18 [previously H5], which omits lines 31-38, 45-51, 57-66, part of 69-part of 73, and 80-82 here. It also seems to have been written somewhat hurriedly.
