

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1908.

For more details of the original court rolls and other documents please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original Roll. Text in various shades of **grey** indicates text which, in the original Roll, is to a greater or lesser extent difficult to decipher. Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations. Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

Roll L5 [previously M10] (recto) [Monday] 13 Oct 1623. N.B. There may be a missing Roll between L4 [previously M9] and L5 [previously M10], as the 1623 Officers (Constable, Headboroughs, Ale Taster, Bailiff) are not those elected in April 1622.
