

The following document is part of a Dulwich Society project to digitise, transcribe and translate the Dulwich Manorial Court Rolls. They begin in 1333 and continue, with some breaks, to 1903.

For more details of the original court rolls and other documents please go to <https://www.dulwichsociety.com/courtrolls/>

Text in **red**, apart from modern notes by the transcriber, indicates text missing from, or entirely illegible in, the original Roll.

Text in various shades of **grey** indicates text which, in the original Roll, is to a greater or lesser extent difficult to decipher.

Text in **green** indicates letters missed out of the original text, usually in commonly found abbreviations.

Otherwise, all contemporaneous text is in **black**, except for presumed later additions which are indicated in **brown** or **blue**.

[End of Roll N11 [previously WW(1)].

A draft of Part 1 of this Roll is catalogued by G.F. Warner in Manuscripts series VI, as item 32, f.105r &105v, and the Summons to it, for 'Wednesday[sic, Sunday] the 12th day of May', as item 32, f.103r. To add to this confusion over dates created by Lancelot Johnson, in item 32, f.104r – a summary of the court record – the date could be read as either the 11th or the 31st (which was a Friday).]
